4.0 BACKGROUND

The former Ingham County Road Commission, now Ingham County Road Department (ICRD), retained Great Lakes Engineering Group, LLC (GLEG) to inspect all our bridges for our 2011 inspection cycle. As part of their deliverables, they were to recommend repair and preventative maintenance strategies for both our primary and local road bridge system.
Utilizing the GLEG preventative maintenance recommendations, ICRD identified three bridges that need updates, could benefit from similar types of preventative maintenance work, and have good superstructures. Ultimately, we submitted, and received 2018 Local Road Bridge Program funding to perform preventative maintenance work on the three bridges.

6.2 Local Purchasing Preference Policy

The Ingham County Board of Commissioners (BOC) believes that its purchasing policies should encourage local vendors to provide goods and/or services to Ingham County government, resulting in increased economic activity through more local jobs, tax revenues, and expenditures, and to entice business relocations to the County. As such, in 2010, the BOC amended its purchasing policies to include a ten percent (10%) purchasing preference to qualified and registered local vendors who respond to solicitations for the purchase of goods and/or services.

In Ingham County, a local vendor is defined as a vendor that operates a business within the legally defined boundaries of Ingham County and pays Ingham County taxes. To be considered a local vendor, the vendor must provide a verifiable business address (not a PO Box) on the enclosed Local Purchasing Preference Form at which business is being conducted. The vendor must also agree to comply with all other policies and requirements of the County. More information about the Local Purchasing Preference Policy can be found at [http://pu.ingham.org/Home/Policies.aspx](http://pu.ingham.org/Home/Policies.aspx)

The County reserves the right to accept or reject in whole or in part any form contract submitted by a proposer and/or to require that amendments be made thereto, or that an agreement drafted by the County be utilized.

6.9 Addendum

If it becomes necessary to revise any part of this RFP or if additional data is necessary to enable an exact interpretation of provisions of this RFP, an addendum will be issued to all vendors known to have received a proposal. It is the responsibility of the proposer to ensure that he/she has received and signed all addendums prior to submitting a proposal. No oral explanation or instruction of any kind or nature whatsoever given before the award of a contract to a proposer shall be binding.

6.10 Workplace Diversity

Ingham County tracks vendor diversity information for statistical purposes with companies with which it does business. Reporting of this information to the County is optional and not all
companies participate. Statistical information regarding workplace diversity is submitted to the County in a separate sealed envelope containing the notation “STATISTICAL INFORMATION- NOT TO BE OPENED UNTIL AFTER THE AWARD OF THE CONTRACT.” Upon receipt of these separate sealed envelopes, the Purchasing Department segregates the envelopes from the other proposal documentation. The envelopes containing the statistical information are not opened until the award of the contract, and are not considered, in any way, in the award of any contract.

6.11 Prime Contractor Responsibilities

The Contractor will be required to assume responsibility for all services offered in the proposal whether or not they possess them within their organization.
