Sobriety Court Program Process and Outcome Evaluations
Packet #240-19

1.0 PURPOSE

Ingham County seeks proposals for conducting process and outcome evaluations for the 55th Judicial District Court Sobriety Court program.

2.0 OWNER

County of Ingham
121 Maple St.
Mason, Michigan 48854

3.0 BACKGROUND

Established in 2004, the 55th District Court Sobriety Court targets OWI 2nd and OWI 3rd offenders found to be dependent on alcohol or other drugs who are not violent offenders as defined in MCL 600.1062. General eligibility criteria require that potential participants meet the target population and live within 30 miles of Ingham County. We also occasionally accept non-target population participants if they are dependent on alcohol and/or other drugs, traditional approaches to rehabilitation have failed, and it appears they will benefit from the program.

Judge Donald L. Allen, Jr. presides over the program, which has a capacity of 100 participants. Our goal is for Sobriety Court to be a welcoming environment, reaching as many individuals in need as possible. Therefore, we do not restrict the identification process to specific mechanisms and accept any referral for screening. These may include, but are not limited to, police, jail staff, prosecutors, defense counsel, probation officers, judges, and even family members. Initial eligibility screening typically occurs at arraignment. Once identified, potential participants are placed on Sobriety Court bond conditions and compliance is supervised by the Sobriety Court pretrial services officer.

All potential Sobriety Court participants must complete a full biopsychosocial substance abuse assessment prior to sentencing. The Michigan Alcohol Screening Test (MAST) and the Drug Abuse Screening Test (DAST) are administered prior to the interview, and the assessor utilizes DSM-V diagnostic criteria and basing level of care recommendations on ASAM guidelines. The assessments are accepted for authorization for treatment funding by our local substance abuse coordinating agency, Mid-State Health Network.

Participants may be linked to treatment providers by the pretrial services officer prior to sentencing, by the judge at sentencing, or by the probation officer when reviewing results of the substance abuse assessment and/or signing the Order of Probation. Providers are chosen individually for each participant, based on appropriate level of care, insurance coverage/ability to pay, geography and provider participation in Sobriety Court.

Sobriety Court Program Process and Outcome Evaluations

Packet #240-19

The program can be completed in a minimum of 60 weeks. The maximum program length, however, is determined by type of conviction; the maximum on a misdemeanor charge is 24 months and the maximum on a felony is 36 months. Participants are required to complete a minimum of twelve weeks in each of the five phases. Program structure and length is based on best practices as detailed by the Michigan State Court Administrative Office, Michigan Association of Treatment Court Professionals, Michigan Judicial Institute, and National Drug Court Institute, as well as reviews of other operational drug courts and logical expectations for the time required to complete the requirements of each phase.

Participants are scheduled for review hearings biweekly in Phase I, monthly in Phases II, III, and IV, and at least once in Phase V. If a violation occurs, participants are scheduled for the next possible review hearing, regardless of their next scheduled hearing. Participants struggling in the program are also often directed to appear for additional review hearings to receive judicial support.

Throughout program involvement, participants may receive incentives and sanctions relative to their behaviors. Interactions with Sobriety Court team members are supportive, rather than confrontational and punitive. We acknowledge progress at every opportunity with praise from the bench. Symbolic and celebratory incentive items are offered when participants make significant accomplishments as recognized by the Sobriety Court team. The probation officers have the discretion throughout program participation to reward individually-defined signs of success including, but not limited to, documentation of sustained sobriety, positive life choices, or other relevant achievements.

We also offer supportive incentives to participants who have not achieved a goal but are struggling with transportation or organizational issues. The ability to assist these participants is a multifaceted incentive, as he/she receives not only the tangible reward of the item, but also the intangible reward of recognizing that the Sobriety Court staff cares about their well-being and is providing assistance outside the legal realm.

Sanctions include increased or alternative appearance requirements, earlier curfews, privilege revocation, additional substance abuse testing, homework assignments (written reports, mixed media projects, or oral presentations, etc. depending on the participant's abilities), community service work assignments, and jail. We utilize sanctions, particularly jail, only when necessary to maintain program integrity, or if a participant is a danger to self or others.

Graduation from our program requires the successful completion at least 12 weeks in Phases I-V. Potential graduates remain on Phase V supervision until the next graduation ceremony, which are held at least three times annually. At the graduation ceremony, participants receive a signed copy of the Motion and Order for Discharge from Probation and are subsequently free from court jurisdiction.

Sobriety Court Program Process and Outcome Evaluations

Packet #240-19

Until 2018, programs like ours operated individually and with little oversight beyond careful monitoring of grant-funded expenditures. Beginning January 1, 2018, programs were required by MCL 600.1062 to obtain certification from the Michigan State Court Administrative Office. Provisional certification was originally granted to all programs, and continued certification will be granted to programs individually upon completion of program site visits. In order for a program to become a certified mental health court under MCL 600.1062, it must comply with all of the standards and required best practices in the *Adult Mental Health Court Standards, Best Practices, and Promising Practices* manual (<https://courts.michigan.gov/Administration/SCAO/Resources/Documents/bestpractice/AdultMHC-Required.pdf>) compiled by the Michigan State Court Administrative Office, in collaboration with the Michigan Association of Treatment Court Professionals and the Mental Health Court Advisory Committee.

While not a *required* best practice, program and outcome evaluation are established best practices for all treatment courts. Additionally, “Performance measurement is an excellent option for drug court research and can assist in developing *correlations* between program activities and outcomes.” (Epstein, Coates, Wray, & Swain, 2005). (Adult Drug Court Review. V2, Issue 2)

5.0 GENERAL INFORMATION

5.1 Conflict of Interest

By submitting a proposal, the Proposer certifies that he/she has no business, professional, personal, or other interest, including, but not limited to, the representation of other clients, that would conflict in any manner or degree with the performance of its obligations under any subsequent agreement with respect to this RFP. If at any time during the bidding process or subsequent contractual period, an actual or potential conflict of interest arises, the Proposer/Contractor shall immediately disclose in writing the conflict of interest to the County. The County reserves the right to immediately terminate in writing to the Contractor any subsequent agreement where, in the reasonable judgment of the County, such conflict poses a material conflict to the performance of the Contractor's obligations under the agreement; such termination of the agreement shall be effective upon the receipt of such notice by the Contractor.

5.2 Local Purchasing Preference Policy

The Ingham County Board of Commissioners (BOC) believes that its purchasing policies should encourage local vendors to provide goods and/or services to Ingham County government, resulting in increased economic activity through more local jobs, tax revenues, and expenditures, and to entice business relocations to the County. As such, in 2010, the BOC amended its purchasing policies to include a ten percent (10%) purchasing preference to qualified and registered local vendors who respond to solicitations for the purchase of goods and/or services.

In Ingham County, a local vendor is defined as a vendor that operates a business within the legally defined boundaries of Ingham County and pays Ingham County taxes. To be considered a local vendor, the vendor must provide a verifiable business address (not a PO Box) on the enclosed Local Purchasing Preference Form at which business is being conducted. The vendor must also agree to comply with all other policies and requirements of the County. More information about the Local Purchasing Preference Policy can be found at <http://pu.ingham.org/Home/Policies.aspx>

5.3 Advice of Omission or Misstatement

In the event it is evident to a proposer responding to this RFP that the County has omitted or misstated a material requirement to this RFP and/or the services required by this RFP, the responding vendor shall advise Mr. James C. Hudgins, Jr., Director of Purchasing, at jhudgins@ingham.org of such omission or misstatement. **In the subject line of the email reference the packet number and title of this RFP.**

5.4 Notification of Withdrawal of Proposal

Proposals may be withdrawn prior to the date and time specified for proposal submission with a

County of Ingham Request for Proposals

formal written notice by an authorized representative of the proposer. No proposer may withdraw a proposal after the opening for a minimum period of 90 days.

5.5 Rights to Pertinent Materials

All responses, inquires, and correspondence relating to this RFP and all reports, charts, displays, schedules, exhibits and other documentation produced by the proposers that are submitted as part of the proposal shall become the property of the County after the proposal submission deadline.

5.6 Firm Pricing for County Acceptance

The proposal price must be firm for County acceptance for ninety (90) days from the proposal opening date, unless the proposer specifically notes otherwise.

5.7 Cost of Preparation

The County will not pay any costs incurred in the proposal preparation, printing or demonstration process. All costs shall be borne by the proposers.

5.8 Standard Forms

Any preprinted contract forms the vendor proposes to include as part of the contract resulting from this solicitation must be submitted as part of the proposal. Any standard contract provisions not submitted as part of the proposal and subsequently presented for inclusion may be rejected. The County reserves the right to accept or reject in whole or in part any form contract submitted by a proposer and/or to require that amendments be made thereto, or that an agreement drafted by the County be utilized.

5.9 Addendum

If it becomes necessary to revise any part of this RFP or if additional data is necessary to enable an exact interpretation of provisions of this RFP, an addendum will be issued to all vendors known to have received a proposal. It is the responsibility of the proposer to ensure that he/she has received and signed all addendums prior to submitting a proposal. No oral explanation or instruction of any kind or nature whatsoever given before the award of a contract to a proposer shall be binding.

5.10 Workplace Diversity

Ingham County encourages, but in no way requires, its vendors to develop and maintain a diverse workforce that is reflective of the population of Ingham County. According to the U.S. Census Bureau, the statistics of Ingham County's population in 2010 was comprised of the following:

County of Ingham Request for Proposals
Sobriety Court Program Process and Outcome Evaluations
Packet #240-19

- a) White persons – 76.2%

- c) American Indian and Alaska Native persons - 0.6%
- d) Asian persons – 5.2%
- e) Native Hawaiian and other Pacific Islander - 0.1%
- f) Persons of Hispanic or Latino origin – 7.3%

Ingham County tracks vendor diversity information for statistical purposes with companies with which it does business. Reporting of this information to the County is optional and not all companies participate. Statistical information regarding workplace diversity is submitted to the County in a separate sealed envelope containing the notation “STATISTICAL INFORMATION-NOT TO BE OPENED UNTIL AFTER THE AWARD OF THE CONTRACT.” Upon receipt of these separate sealed envelopes, the Purchasing Department segregates the envelopes from the other proposal documentation. The envelopes containing the statistical information are not opened until the award of the contract, and are not considered, in any way, in the award of any contract.

5.11 Prime Contractor Responsibilities

The Contractor will be required to assume responsibility for all services offered in the proposal whether or not they possess them within their organization. Furthermore, Ingham County will consider the selected Contractor to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the contract.

5.12 Independent Price Determination (Non-Collusion)

By submission of a proposal, the proposer certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, that in connection with this proposal:

- The prices of the proposal have been arrived at independently without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other offer or with any competitor;
- Unless otherwise required by law, the prices which have been quoted in the proposal have not been knowingly disclosed by the offeror and will not be knowingly disclosed by the offeror to any competitor;
- No attempt has been made or will be made by the offeror to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition; and,
- The price quoted is not higher than that given to the general public for the same service.
