By submitting a proposal, the Proposer certifies that he/she has no business, professional, personal, or other interest, including, but not limited to, the representation of other clients, that would conflict in any manner or degree with the performance of its obligations under any subsequent agreement with respect to this RFP. If at any time during the bidding process or subsequent contractual period, an actual or potential conflict of interest arises, the Proposer/Contractor shall immediately disclose in writing the conflict of interest to the County. The County reserves the right to immediately terminate in writing to the Contractor any subsequent agreement where, in the reasonable judgment of the County, such conflict poses a material conflict to the performance of the Contractor's obligations under the agreement; such termination of the agreement shall be effective upon the receipt of such notice by the Contractor.

6.2 Local Purchasing Preference Policy

The Ingham County Board of Commissioners (BOC) believes that its purchasing policies should encourage local vendors to provide goods and/or services to Ingham County government, resulting in increased economic activity through more local jobs, tax revenues, and expenditures, and to entice business relocations to the County. As such, in 2010, the BOC amended its purchasing policies to include a ten percent (10%) purchasing preference to qualified and registered local vendors who respond to solicitations for the purchase of goods and/or services.

In 2017, the BOC amended the LPPP in the event of two or more registered local vendors:

When there are two registered local vendors (RLVs) bidding on a County contract and when the low bidder is utilizing non-local subcontractors for more than fifty percent (50%) of the contract work, then the non-low RLV who is within ten percent (10%) of the lowest RLV's bid and who is also utilizing non-local subcontractors for less than fifty percent (50%) for the contract, shall be given an opportunity to reduce its cost to match the low RLV's bid, and in doing so, shall be recommended for the award of the contract.

In the event that there are multiple RLVs who are within ten percent (10%) of the lowest RLV who is using more than fifty percent (50%) of non-local vendors for the contract, the RLV who is utilizing the largest percentage of local subcontractors shall be given an opportunity to reduce its cost to match the low RLV's bid, and in doing so, be recommended for award of the contract; provided, however, that the percentage of non-local subcontractors utilized does not exceed fifty

Animal Waste Removal Services

percent (50%); in the event that all non-low RLVs are using the same percentage of local subcontractors, the Purchasing Director shall toss a coin to determine the recommended bidder for contract award.

In Ingham County, a local vendor is defined as a vendor that operates a business within the legally defined boundaries of Ingham County and pays Ingham County taxes. To be considered a local vendor, the vendor must provide a verifiable business address (not a PO Box) on the enclosed Local Purchasing Preference Form at which business is being conducted. The vendor must also agree to comply with all other policies and requirements of the County. More information about the Local Purchasing Preference Policy can be found at <http://pu.ingham.org/Home/Policies.aspx>

6.3 Advice of Omission or Misstatement

In the event it is evident to a proposer responding to this RFP that the County has omitted or misstated a material requirement to this RFP and/or the services required by this RFP, the responding vendor shall advise Mr. James C. Hudgins, Jr., Director of Purchasing, at jhudgins@ingham.org of such omission or misstatement. In the subject line of the e-mail reference the packet number and title of this RFP.

6.4 Notification of Withdrawal of Proposal

Proposals may be withdrawn prior to the date and time specified for proposal submission with a formal written notice by an authorized representative of the proposer. No proposer may withdraw a proposal after the opening for a minimum period of 90 days.

6.5 Rights to Pertinent Materials

All responses, inquires, and correspondence relating to this RFP and all reports, charts, displays, schedules, exhibits and other documentation produced by the proposers that are submitted as part of the proposal shall become the property of the County after the proposal submission deadline.

6.6 Firm Pricing for County Acceptance

The proposal price must be firm for County acceptance for ninety (90) days from the proposal opening date, unless the proposer specifically notes otherwise.

6.7 Cost of Preparation

The County will not pay any costs incurred in the proposal preparation, printing or demonstration process. All costs shall be borne by the proposers.

6.8 Standard Forms

Any preprinted contract forms the vendor proposes to include as part of the contract resulting from this solicitation must be submitted as part of the proposal. Any standard contract provisions not submitted as part of the proposal and subsequently presented for inclusion may be rejected. The County reserves the right to accept or reject in whole or in part any form contract submitted by a proposer and/or to require that amendments be made thereto, or that an agreement drafted by the County be utilized.

6.9 Addendum

If it becomes necessary to revise any part of this RFP or if additional data is necessary to enable an exact interpretation of provisions of this RFP, an addendum will be issued to all vendors known to have received a proposal. It is the responsibility of the proposer to ensure that he/she has received and signed all addendums prior to submitting a proposal. No oral explanation or instruction of any kind or nature whatsoever given before the award of a contract to a proposer shall be binding.

6.10 Workplace Diversity

Ingham County encourages, but in no way requires, its vendors to develop and maintain a diverse workforce that is reflective of the population of Ingham County. According to the U.S. Census Bureau, the statistics of Ingham County's population in 2019 was comprised of the following:

- a) White persons – 75.6%
- b) Black or African American persons – 12.4%
- c) American Indian and Alaska Native persons - 0.6%
- d) Asian persons – 7.0%
- e) Native Hawaiian and other Pacific Islander - 0.1%
- f) Persons of Hispanic or Latino origin – 8.0%

Ingham County tracks vendor diversity information for statistical purposes with companies with which it does business. Reporting of this information to the County is optional and not all companies participate. Statistical information regarding workplace diversity is submitted to the County in a separate sealed envelope containing the notation “STATISTICAL INFORMATION-NOT TO BE OPENED UNTIL AFTER THE AWARD OF THE CONTRACT.” Upon receipt of these separate sealed envelopes, the Purchasing Department segregates the envelopes from the other proposal documentation. The envelopes containing the statistical information are not opened until the award of the contract, and are not considered, in any way, in the award of any contract.

6.12 Independent Price Determination (Non-Collusion)

By submission of a proposal, the proposer certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, that in connection with this proposal:

- The prices of the proposal have been arrived at independently without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other offer or with any competitor;
- Unless otherwise required by law, the prices which have been quoted in the proposal have not been knowingly disclosed by the offeror and will not be knowingly disclosed by the offeror to any competitor;
- No attempt has been made or will be made by the offeror to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition; and,
